

FALL ELT Wednesday & Friday Course List

Directions: Read each class description. Choose your top 5 options. Rank you options from 1-5. The number ONE- being the class you **DEFINITELY** want.

Name: _____ **Homerroom:** _____

Write 1-5 BELOW	LOCATION	NAME OF CLASS/ FACILITATOR	DESCRIPTION
	½ court (gym)	Boys Bball Team Practice – Mason/Romel/ Altiery	<i>Perfect your game and work on becoming a better basketball player! This ELT will focus on building the boys' basketball team by practicing drills, both individually and as a team, to make our school one of the best Brooklyn has to offer.</i>
	½ court (gym)	Girls Volleyball - Santos/Coach Fernando	<i>This course will teach you the fundamentals of volleyball and prepare you to compete against other middle schools across the city while building a strong sisterhood! Go Lady Warriors!</i>
	Yard	Coed Soccer Practice – Hazen/Landy	<i>In ELT soccer, students will learn the skills for them to compete and enjoy the game of soccer (futbol). Skills covered will include proper dribbling, passing, shooting, defending, and goalkeeping.</i>
	Auditorium	Open Dance- Janelle	<i>Open/interdisciplinary dance will focus on combining skills and techniques from hip hop, jazz, ballet, African and modern to produce a comprehensive choreography with a theme.</i>
	Art Room (Room 102)	Art Portfolio Development for Arts High Schools- Kaiser	<i>To get into the arts high school of your dreams, you will need to show them a portfolio with a variety of arts works from drawing to painting to sculpture! This class is designed to give you individualized help in getting your portfolio ready! 6th and 7th Graders will get preference!</i>
	STEM Lab (Room 111)	Plants, Bugs and Things - Charbonneau	<i>That's right- you'll be learning about plants, bugs and things in your community. Put your green thumb to use and grow plants to take home. Your parents will be impressed!</i>
	Room 115	GLAMAS – Girls Leading Academics in Math and Science- Batt	<i>Only 26% of women today are in science, technology, and mathematics jobs! This club is designed for girls to take a lead in these subjects! We will learn about interesting science and math topics, do scientific and mathematical investigations, and work with new technology and engineering equipment! Let's go GLAMAS!</i>
	Room 121	Digital Storytelling- Campos	<i>Take your Instagram story to the next level! This class will teach you the components of storytelling through social media and how to use a variety of tools from photos to videos to tell a better story online. Maybe your next post could go VIRAL!</i>
	Room 203	Robotics - Shah	<i>Robotics introduces students to real-world engineering challenges by building LEGO-based robots to compete in the annual robotics competition! Students will design, build, test and program robots as well as build self-confidence and self-esteem!</i>
	Room 204	Homework Help - Schober	<i>Want to get help with your homework and get it all done before going home? This is a quiet space for students to get their homework done and ask for teacher support.</i>

	Room 205	Crocheting- Eaddy/Spry	<i>Introduction to Crocheting Class is a chance to learn the basics of crochet! Students will learn how to make a chain stitch, single crochet stitch & double crochet stitch. Using these techniques students will work towards making their own crocheted creation! For example a scarf or purse!</i>
	Room 207	Dissecting Disney - Cortez	<i>Love Disney movies but notice some things are... problematic? You are not alone! In this club, we will be watching classic Disney movies such as Snow White, Beauty and the Beast, The Lion King, Pinocchio, and many more! For each movie we will analyze and discuss different stereotypes and how they affect the audience.</i>
	Room 208/ Room 521	Warrior Fitness- Gomez	<i>Warrior fitness is a program that is designed to promote overall youth fitness. MS 50 students work with a certified personal trainer to learn the foundations of fitness training utilizing battle ropes, calisthenics, interval training and self-defense as well as a nutrition program to help them achieve their goals! The path of a warrior is a road less traveled--Are you ready to choose this path?</i>
	Room 212	Spanish Language Debate-Hidalgo	<i>Would you like to be able to win every argument or debate that you have with your friends and family? If you would like to develop your argumentation, research and persuasion skills, then you might be interested in joining M.S. 50's championship debate team AND DEBATE IN SPANISH!</i>
	Dance Room (Room 221)	Multicultural Dance – Atkins	<i>Calling all aspiring actors and dancers! In this course students will study multi-cultural dance including African, Jazz, Latino and Pop. There will be a focus on body conditioning and stretching. The dancers will perform at a showcase at the end of the semester.</i>
	Music Room (Room 223)	Band- Wareham	<i>MS 50 Band is an ensemble that provides students with learning and performance opportunities on wind and percussion instruments. The primary focus is on the development, continuation, and expansion of basic skills.</i>
	Room 224	Reading With Friends - Cuthbert	<i>Wouldn't it be fun to chat and chew with old and new friends while discussing a topic you want to learn about? Then READING WITH FRIENDS would be the ELT for you! Students are encouraged to participate during the reading session, and are assisted by our mentors from the Brooklyn Latin High School!</i>
	Room 308	Beginner ENL- Abergas	<i>Quieres tener mas practica con el ingles? En esta clase, Mr. Abergas te va ayudar con tu inglés para usarlo cada día!</i>
	Room 309	Guitar - Geasor	<i>Have you ever wanted to play guitar? If so, sign up for Ms. Geasor's Acoustic Guitar Club! We'll learn about the parts of a guitar, how to tune a guitar, and how to play basic chords!</i>
	Room 310	Math Board Games- Turan	<i>Games that use math concepts- Who knew math could be fun! Do you have what it takes to compete? Can you learn math strategies that can be used in real-life? If the answer is yes, then I have the class for you! Play games- learn math- have fun with friends!</i>
	Room 311	6th Grade Coding - Lejuez	<i>Are you a computer whiz? Love being creative on the computer? Let's take your computer skills to the next level and learn coding!</i>
	MEDIA CENTER	Hip-Hop Music Production - BEAT Global	<i>Do you see yourself being the next Kanye West or creating the next Lemonade album by Beyoncé? BEAT Global will take your beats to the next level and show you how to produce a unique sound! Another one!</i>
